CLERK SUPERIOR COURT
SPRINGFIELD COUNTY, GA
2019 APR 23 AM 9:32

Complaint:

Date of Accident 11/24/18

Store: Cvs 10710 state bridge rd. Alpharetta, GA.
30022

I like to file this complaint due to the personal Injury, I have sustain while lawfully shopping at Cvs Pharmacy at the above location. It was on a saturday afternoon at 1:19 pm when I entered Cvs Pharmacy at the above location to reload a prepaid visa card. Upon entering the store the clerk present named Christopher Called me to the register, the first one. I paid for my purchased and as I turned to walk out of the door an item below knee level tripped me as I walked out the door, giving me instant pain. I'm currently disabled with herniated discs in my Cervical and Lumbar area with a lot of other issues. The store clerk Christopher, responded to me tripping and asked was I

alright, I responded I don't know. Thinking it would feel better I left the store only to get home and realize my left knee is swollen and in severe pain. I contacted the store manager and advised him of what happened, he reviewed the surveillance camera footage and filed a claim with risk management. I was in bed not able to walk due to the swelling and chronic pain, 11/25/18 I went to the ER and I was referred to an orthopedic Specialist. X-rays and MRI's was ordered. Medical findings from these exams showed, I have aggravated my pre-existing conditions and I have a new injury of the knee = Bucket-handle tear of medial meniscus. Corrective Procedures were 2 1/2 months of therapy and Arthroscopic surgery. My claim was denied by the third party insurance carrier Sedgwick, leading me to file my claim. CVS Pharmacy inc. Policy limit is 4.5 million. I'm asking that my case be judged by a jury and my reward and compensation, I'm asking for the jury to reward me the highest amount possible, according

To the facts. My Current Medical bills are about \$40,000 not including future Medical Expenses. I'm also asking for pain and suffering along with, mental and emotional damages caused by this horrific experience. I have basically had to learn how to walk all over again. So I'm asking the Court to accept This Complaint and I'm asking for a Jury verdict and settlement based on the severity of my injuries. A settlement offer of \$250.00 and \$500.00 was made by Cvs but I rejected both offer, because I don't think they are good faith offers.

Sincerely Yours.
